

Sewing Children's Clothing

Saturday, July 30, 2011

10-4 pm

Price: \$24.00

Description: There is nothing more fun than sewing clothes for kids, especially when you see them dancing around in it later. Bring your sewing machine and serger and we will help you make something your little one will love forever. You can choose from any of our Kwik Sew patterns to make your garment. You can also make your garment from knits or wovens, depending on what skills you would like to work on. Just beware that when you take this class, you will be hooked on these little clothes and they will soon become an obsession.

Techniques Explored: You choose the technique ~ zipper insertion, buttonholes, pockets, casings, plackets, hemming, gathering, etc.
