Price: \$24.00

Description

This cute little quilt is the perfect, quick project to make for a daughter or granddaughter. The quilt is 40" x 59" so it is the perfect size for a little person. The pieces in the kit were pre-cut with the Accuquilt Go! System using the Tumbler die. The tumbler block is one of the easier pieces to put together. This project can be made in one day without any problems.

Techniques Explored: piecing with a 1/4" seam
